Sir:

Upon review of the file after receipt of the Notice of Allowance mailed April 17, 2008, it is noted that Sano et al., "Identification of three extended... 1-210", International Immunology, GB XP002077784, Vol. 3, No. 10, pgs. 983-989 has been indicated as considered on the initialed copy of Form PTO-1449 attached to the Office Action mailed March 13, 2000, but is crossed out in the body of the Information Disclosure Statement filed February 22, 2000 as part of the Notice of Allowance papers.

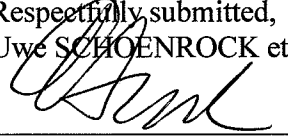

Applicants are therefore submitting this paper so that the record is clear as to Examiner's consideration of the Sano et al. document, which is evident from the initialed copy of the Form PTO-1449.

Please charge any fee necessary for entry of this paper to Deposit Account No. 19-0089.

Respectfully submitted,
